Home-Made Load Cells

Listed in the table below are the load cells fabricated at NSEL. Click on the links in the Capacity column to learn more about the load cells of that type.

Capacity (kip/kN)	Quantity	Available
10/44	4	3
20/88	17	12
25/111	2	0
30/133	12	11
35/156	12	0
65/289	35	24
90/400	4	1
100/445	19	15
200/890	3	4
300/1,334	6	5
